

1. STATUTORY AUTHORITY

Supply Act.

2. PURPOSE

The purpose of this policy and accompanying standards is to provide clarification regarding the criteria and process used to determine eligibility for the Autism Funding: Under Age 6, and Autism Funding: Ages 6-18 Programs.

3. POLICY

The Ministry of Children and Family Development will provide Autism Programs for eligible children and their families.

4. PROGRAM DESCRIPTION

4.1. Autism Funding: Under Age 6

Autism Funding: Under Age 6 Program provides families of children with ASD under age six with up to \$20,000 per year (\$22,000 as of April, 2010) to assist with the cost of purchasing eligible autism intervention services (based on best practices) that promote their child's communication, social-emotional, pre-academic and functional life skills development.

4.2. Autism Funding: Ages 6 to 18

Autism Funding: Ages 6 to 18 Program provides families of children with ASD ages six through 18 (inclusive) with up to \$6,000 per year to assist with the cost of purchasing eligible out-of-school autism intervention services that will promote their child's communication, social-emotional, academic and functional life skills development.

5. DEFINITIONS

5.1. "ASD" means Autism Spectrum Disorder and includes the following diagnoses:

- Autism
- Asperger's Syndrome
- Rett Syndrome
- Pervasive Developmental Disorder – Not Otherwise Specified
- Childhood Disintegrative Disorder

5.2. "Best practice" means interventions and approaches that are supported by evidence and proven to be effective.

5.3. “Eligible children” means:

5.3.1. For the Autism Funding: Under Age 6 Program, children who:

- a) have a diagnosis of ASD that meets the standards of the British Columbia Autism Assessment Network, **or**;
- b) received a diagnosis of ASD from another province in Canada, and have a Confirmation of Diagnosis form completed by a qualified specialist, **and**;
- c) are age five or under, **and**;
- d) are a resident of BC

5.3.2. For the Autism Funding: Ages 6 - 18 Program, children who:

- a) have a diagnosis of ASD that meets the standards of the British Columbia Autism Assessment Network, **or**;
- b) received a diagnosis of ASD from another province in Canada, and have a Confirmation of Diagnosis form completed by a qualified specialist, **or**;
- c) received a diagnosis of ASD before April 1, 2004, and have a Confirmation of Diagnosis form completed by a qualified specialist, **and**;
- d) are between six and 18 years of age (inclusive), **and**;
- e) are a resident of BC

5.4. “Behavioural Plan of Intervention” means an individualized program designed for a specific child or youth that focuses on identifying areas where intervention is needed. It is developed and written by a behaviour consultant in collaboration with the child or youth’s parents, and includes input from professionals who are members of the child’s team (e.g., speech-language pathologist, occupational therapist).

5.5. “Registry of Autism Service Providers” means a list maintained by ACT – Autism Community Training on behalf of the Ministry of Children and Family Development, from which parents of children receiving Autism Funding: Under Age 6 are required to select professional service providers (behaviour consultants, speech-language pathologists, occupational therapists, and physiotherapists). In order to be included on the RASP, professionals must demonstrate that their education and experience meet the qualifications described by the ministry.

5.6. “Qualified specialist” means a paediatrician, child psychiatrist, or registered psychologist.

5.7. “Resident of British Columbia” is defined in accordance with the *Medicare Protection Act* and means a person who:

- (a) is a citizen of Canada or is lawfully admitted to Canada for permanent residence;
- (b) makes his or her home in British Columbia, and;
- (c) is physically present in British Columbia at least six months in a calendar year,

and includes a person who is deemed under the regulations to be a resident, but does not include a tourist or visitor to British Columbia.

6. STANDARDS

6.1. Information and Support to Families Standard

1	The organization ensures that each family has access to a knowledgeable Children and Youth with Special Needs Support Worker (CYSN SW)
	<ul style="list-style-type: none"> • The CYSN SW is knowledgeable about: <ul style="list-style-type: none"> • Best practices in Autism Spectrum Disorder (ASD) intervention. • The potential impact of ASD on a child or youth's family members. • Services and supports available for children and youth with special needs and their families. • Parents' responsibilities under the Autism Programs, including those related to the: <ul style="list-style-type: none"> • administration of autism funds; • submittal of a Behavioural Plan of Intervention (for children under age six), and; • selection of professional service providers from the Registry of Autism Service Providers (for children under age six). • At the initial meeting with the family, the CYSN SW provides information regarding available services and supports, or arranges for another meeting time to do so. • The CYSN SW is available to provide ongoing information and support to the family
